Farmhouse and Large Plot of Land

The old house, that is not in livable conditions, is an example of architectural heritage which maintains the ancient features, it is a unique opportunity to restore this property respecting the local history and culture.

The land presents itself has a wonderful space for the development of agricultural activities, allowing the practice of sustainable agriculture or even the implementation of agritourism projects and also offers vast potential for animal breed and even equestrian activities.

This type of property not only values the cultural heritage, but also promotes biodiversity and can contribute to the local economy.
