Plot with ruin and approved project

If you are looking for a unique opportunity to build your dream home in the Algarve countryside, you might be interested in this plot sold with an approved project near the village of Salir.

Surrounded by quietness, but with some neighbours close by, it is a perfect spot for those who love rural life and who prefer to be in direct contact with nature. Some young fruit trees were already planted and a vegetable garden can easily be created.

This is a rare chance to own a piece of land with an approved project for a house in one of the most beautiful and peaceful regions of the Algarve.
