Classic 4 Bedroom Villa

Large property, with extra accommodation, it is very well located in the center of Boliqueime, which is a charming village with everything you need close by.

It is south facing which provides a beautiful view of the sea from the rear of the property and from the balcony. It has a closed garage and covered parking/yard at the front.

The house is habitable but could benefit from modernization to make the most of its potential and convert it into a dream home with an ideal location, for those who wish to live in and have extra accommodation. It is close to all the services you need for your day-to-day life.
