Plot of land with ruin

A beautiful plot in the hills just outside Loulé. The location is very peaceful and has a good access, with open country views and a small sea view in the distance.

The city of Loulé is only a five minutes drive away. The land is situated around the attached ruin and the biggest part of the plot is flat and very suited to create a nice garden , an orchard or to do some agriculture.

An ideal space to create a small house in the countryside, within a peaceful area but still close to town.
