Sea & Countryside Views / 4 Bed. Villa

Charming and unique architecture, which combines rustic and modern styles, set in a rural and quiet environment, overlooking the countryside and sea.

The house was recently renovated, the swimming pool looks wonderful as it was completely rebuilt, the roof terrace has new insulation and new pavement, as well as the outside stairs.

The property has a few neighbours nearby, but not too close and as the house and the pool are set in the middle of the large plot, this guarantees total privacy. The land has been partially landscaped, with trees and plants typical of the Algarve.
