Old House & Land

Quinta with a traditional architecture, to rebuild, it's located in a quiet area very close to the city of Loulé.

Comprises eight rooms which with the current area will give a convenient layout, being possible to rebuild it or to increase the construction area, for this it will be necessary to submit a project for Council approval.

There is the possibility of building a swimming pool on the land where there is also an annex and a cistern. The property has many traditional features that once rebuilt will make a charming property, the house has high ceilings and natural light due to its south orientation.
