Plot & Ruin with clear views

Ruin and plot situated on top of a hill, with open views of the countryside and the coast.

Adjacent to this property there is a rustic land that can also be acquired in case you want to increase the garden and/or plot size. It has some neighbours close by but these do not affect the privacy of the property, which is located a very convenient distance from S. Brás where you can find all day to day services.

A very quiet location, in the middle of the Algarve countryside with all its charm and tranquility.
